

**The Community is warmly invited to the Whitsun Festival  
on Saturday May 23<sup>rd</sup> at the Michael Centre. 5 – 9pm**

*“The original idea of any sacred festival is to make  
the human being look upward from their  
dependence on earthly things to those things that  
transcend the Earth. The Easter Festival especially  
can bring these thoughts near to the human heart”*  
~ Rudolf Steiner (20 April 1924, Dornach)

Whitsun celebrates the descent of the Holy Spirit upon the disciples, 50 days after Easter. The disciples worked harmoniously together, building community to prepare for the spiritual evolution of humanity.

Whitsun offers an enriching experience for you and your families to gather and participate in. Children are welcome, please supervise them around the fires.
